

Ms Hannah Routh

**Partner, Asia Pacific Leader for Sustainability and Climate Change, Deloitte China
Hong Kong**

Hannah Routh is Deloitte's Asia Pacific Leader for Sustainability and Climate Change, and leads the Sustainability and Climate Change advisory practice for Deloitte China. Based in Hong Kong, she is a climate change and green finance specialist with over 20 years of experience in the field, of which the last 12 are in China. She advises clients across all sectors on climate risk, sustainability strategy, sustainable supply chains, impact assessment, responsible investment and green finance.

Hannah is a founder and Exco member of the Hong Kong Green Finance Association and sits on the Financial Services Development Council (FSDC) Environment, Social and Governance (ESG) working group. She is currently leading a three-year UK government programme in China on Energy and the Low Carbon Economy.

From 2007 to 2012, she was Managing Director of a climate policy and carbon trading advisory company in Beijing. Her longer-term background is in environmental building design and renewable energy.

She holds two Masters degrees from the University of Manchester, UK, one in Physics and the other in Pollution and Environmental Control.
