

# Grant Thornton

An instinct for growth™

## Tim Braun

**Partner - Head of Assurance**

### Background

Tim is the current Head of Assurance for the Singapore firm. He has worked within the Grant Thornton network of firms since 2003 and joined GT Singapore in 2011 as part of an international rotation programme. Prior to his secondment, Tim was with the Chicago office of Grant Thornton LLP in the United States for 8 years, where he served as a manager on listed companies.

### Experience

Tim provides a wide range of services and specialises in the audits of software and technology as well as consumer and industrial product companies. His extensive experience in US and Asia covers a wide spectrum of business activities with overseas reporting requirements and regional audit coordination for both listed and non-listed entities.

His expertise also includes PCAOB engagements, accounting advisory, internal control audits, US GAAP vs IFRS consulting, and other special projects.

He is proficient in US GAAP, IFRS and local statutory compliance as he currently holds both a US CPA and Singapore Chartered Accountant license.

### Roles

In addition to above, Tim's role in Singapore also includes:

- Leads the firm's Financial Reporting Advisory Services ("FRAS")
- Chairman of the firm's Management Committee which drives operations and growth of the firm
- Member of the Singapore Board of Directors
- Leads the Learning and Development program for the Audit department

### Professional affiliations and memberships

- Singapore Chartered Accountant (CA)
- US Certified Public Accountant (CPA)
- Member, Institute of Singapore Chartered Accountants (ISCA)
- Member, American Institute of Certified Public Accountant (AICPA)
