

ASIAN CORPORATE GOVERNANCE ASSOCIATION

AUDITOR MEMBERSHIP BOOKLET

Introduction to ACGA

The Asian Corporate Governance Association (ACGA) seeks to play a constructive role in the evolving Asia-Pacific corporate governance ecosystem. We are a not-for-profit membership association founded in Hong Kong in 1999 shortly after the Asian Financial Crisis.

- For more than two decades ACGA has been working to promote systemic improvements in corporate governance regulation and practice in Asia through independent research, advocacy and education. ACGA is entirely funded by its members and does not receive government grants or sponsorship.
- We view good public and corporate governance as key to capital market and economic development, including sustainable development. In recent years, our research and events have evolved to encompass ESG reporting, board diversity, and how boards are preparing for climate change.
- We believe there is a need to put a firmer governance foundation under ESG and sustainability in Asia. In practical terms, this means clearer policy guidance from regulators, greater board preparedness among listed companies, and deeper and more informed investor stewardship.

Auditor Membership

ACGA recognises the important role that auditors play in the corporate governance ecosystem in Asia-Pacific. Over many years we have sought to work with the leading CPA firms in the region to raise awareness of the importance of audit quality and independent audit regulation.

In 2013, ACGA collaborated with the Global Public Policy Committee (GPPC) of the large international audit firms and organised one of the first discussions between institutional investors and auditors in the region on systemic auditing and financial reporting issues.

In 2015, ACGA and GPPC launched the first “Investor Auditor Roundtable” prior to our annual conference that year in Kuala Lumpur. The Roundtable offers investors and auditors a rare opportunity to discuss issues of mutual concern.

Auditor Membership – Approval Process

1. Under ACGA's articles, our Council is required to approve each new membership application.
2. The criteria for auditor membership are principles-based:
 - A clear commitment to the spirit of corporate governance.
 - Support for ACGA's objectives and principles.
 - Evidence of a commitment to high standards of auditing.

The ACGA Secretariat ascertains the answers to these questions through discussion with prospective members and independent due diligence. We report our findings to the Council's Membership Committee.

3. Following a review, the Membership Committee may wish to seek clarification of information provided by an applicant.
4. Membership approval will be given if the Council believes that an applicant meets the criteria for membership and will add value to the Association's member network. Approval will not be given if the Council believes otherwise or sees any potential conflict of interest.
5. The Council reserves the right to expel any member from the Association if it believes that the member no longer upholds the required standards of membership.
